

Northwest EyeCare Professionals is committed to a safe environment for staff and patients.

BEFORE YOU ARRIVE

- All patients must complete a COVID assessment
- Patients who are at high risk for spreading COVID will be asked to reschedule
- Doctor Appointments are spaced apart
- Optical Services will be provided by appointment only. No walk-in service.
- The waiting room will be closed
- Your guests must remain outside the building
- Your exam lane and all equipment will be disinfected
- Staff working with you will wash their hands

WHEN YOU ARRIVE:

- Everyone including you must wear face protection
- Additional Acrylic guards are in place where possible
- Hand sanitizer and sinks are readily available to sanitize your hands
- Opticians will remove frames for you to avoid contamination
- Disinfected pens are provided if you need to sign any paperwork

WHEN YOU LEAVE:

- Used pens are disinfected
- Exam lanes are scrubbed down before the next patient
- Frames touched will be sent to disinfection
- Optical tables, chairs, and equipment will be disinfected
- All employees working with you will wash their hands
